Dear ,

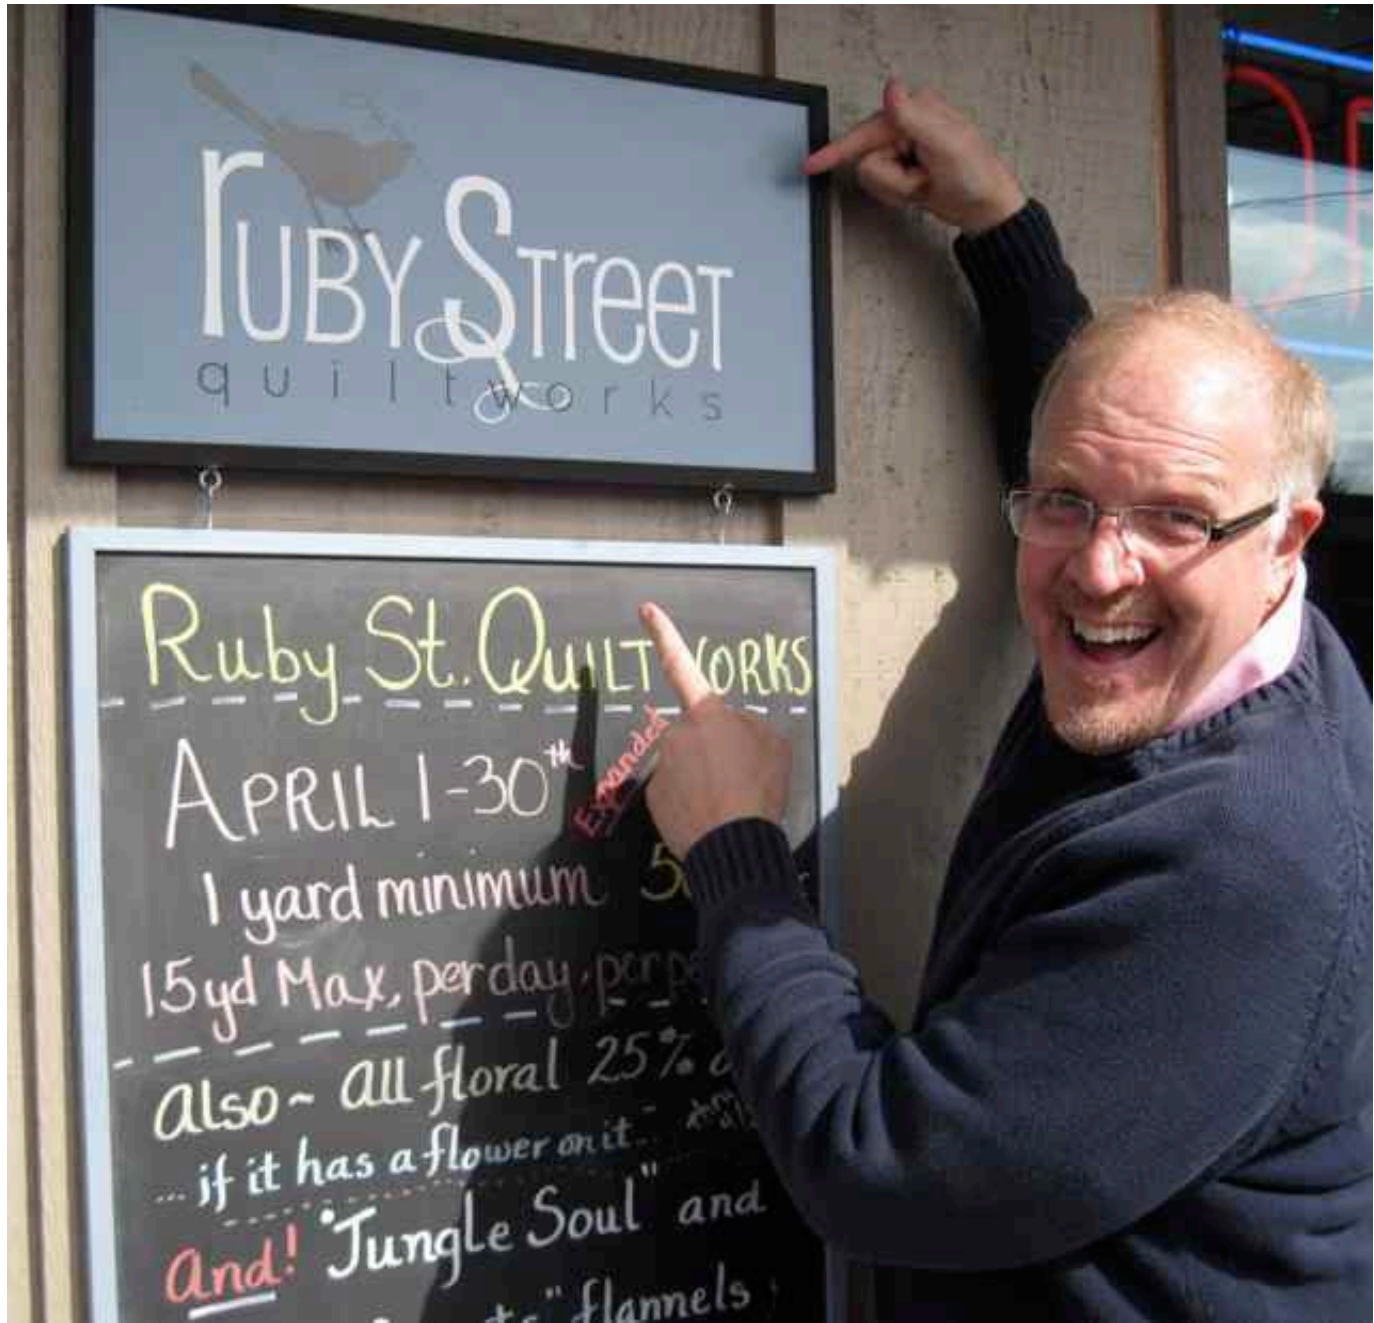

Welcome to "On Ruby Street" the e-newsletter of Ruby Street Quiltworks.

Our most exciting news is Mark Lipinski's visit to Ruby Street Quiltworks. The Washington Stars Quilt Guild engaged Mark to teach a class, give a lecture and serve as auctioneer for their bi-annual auction. While he was here he experienced some of the delights of our very own Olympia and won the hearts of local quilters. See photos and read about his Olympia adventures in his blog by clicking on the photo below. Thank you to the Washington Stars for bringing Mark to our community!

Don't forget our Mother's Day Sale. Just for Mom, just on Mother's Day, all our floral fabrics will be on sale for 50% off the regular price. Buy a Ruby Street Quiltworks Gift card between now and Mother's Day and receive a free Fat Quarter for every \$25 worth of gift cards purchased. Give Mom the Fat Quarter with the gift card or bring her to the shop on Mother's Day so she can pick out her own!

Come in today! Join the wonderful members of the "Quilts of Valor" group in making a quilt for one of the defenders of our freedom and purchase fabric from the "Defenders of Freedom" or "America the Beautiful" collections for 15% off.

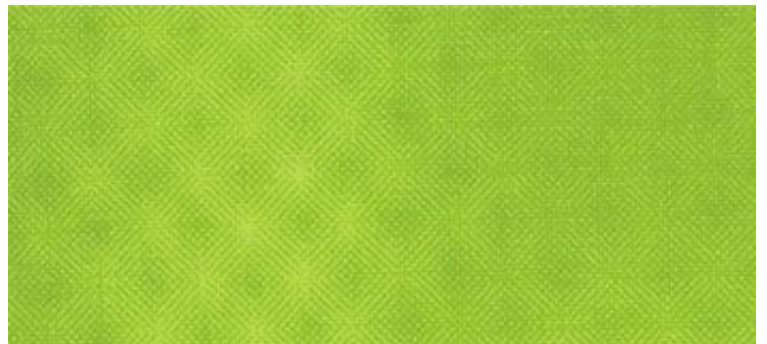

Need help finishing your quilt top? Check out our class listings. Margie Horton is offering a one-two finishing punch. Take the "Machine Quilting" class on Saturday, May 15th and learn to quilt your own top. Then bind it off in the "Binding" class on Sunday, May 23rd. Check one quilt off your "to-do" list! Visit our [website](#) for class details.

Blenders!

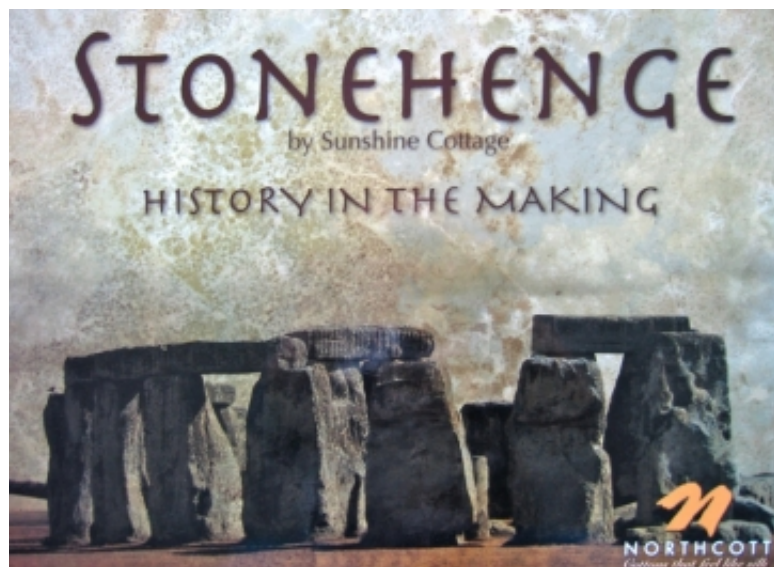

We have just the fabric you need! Ruby Street Quiltworks is noted for the diversity and quality of our fabric collections. They are engaging, eclectic and edgy. We are the "go to" shop for the perfect focus fabric or fabric suite for your project. Now, with the arrival of

"Puzzle Pieces" a new blender collection from Moda, we are also the "go to" destination for the perfect "go with" fabric. This collection includes 100 bolts (Yes! ONE HUNDRED!) of tonal prints including: dots, prisms, paisleys, berries, tooled leather, specks, vines, jacquards, swirls, hombres and roses. It is a wonderful addition to the "Color Wheel" we have been building over the last year. Note: The "Puzzle Pieces" aren't just for blending. Download a free pattern (\$6.00 suggested retail) for a "Puzzle Pieces" quilt on our [website](#). Copies are available in the shop for \$2.00.

Stonehenge Warm and Cool Stone and Flannels 30% off

The Stonehenge collections are as mysterious and captivating as the British monument they are named for. New groupings will be coming in, every month through the fall. They have lovely, evocative names like: Mojave, Caribbean, Celestial Metallic, Celebration Metallic, Maui, Colorado, Mother Earth, Glacier and Amazon. We have ordered them all! To celebrate, we are having a sale on the original collections (Warm and Cool Stone) and the flannels. These original groupings are available at Ruby Street Quiltworks for 30% off the regular price through May 15th.
